EXECUTIVE SUMMARY

- Visionary and Inspirational Leadership
- Proven Ability to Lead Reform and Change
- Innovate to Ensure High Levels of Service and Performance

SA Pathology is the statewide pathology provider for the public health sector, an institution recognised for the highest standards of medical testing and research. SA Pathology provides a complete diagnostic and clinical service for our patients and the South Australian population – 24 hours a day, 365 days a year.

SA Pathology delivers quality pathology to medical practitioners and public and private hospitals through a linked system of laboratories across the state – from branch laboratories in rural and regional hospitals, general laboratories in metropolitan hospitals and specialist laboratories responsible for tertiary referral – and through a network of patient centres which cover all of the state’s major population centres.

An Executive Director is now sought to lead the commercial and corporate side of the organisation and build on the continuing evolution of SA Pathology into a clinically excellent and cost effective service. This exciting leadership position will play an important role in the delivery of high-quality, efficient and effective diagnostic and associated clinical services to both public and private markets. The development of SA Pathology into a flexible and responsive organisation with a culture which ensures action in response to significant and emerging issues is critical to the future of public pathology services in South Australia.

The successful candidate will need:

- An ability to lead reform and substantial sustained change across commercial performance, workforce and service delivery in a complex environment is essential
- Senior leadership skills with commercial and corporate experience in the delivery of Pathology or related services is desirable; and
- Knowledge of the healthcare and pathology industries and an ability to apply that knowledge to improving the efficiency, safety and cost effectiveness of services.

SA PATHOLOGY

“An institution recognised for the highest standards
of medical testing and research”

SA Pathology is the statewide pathology provider for the public health sector, an institution recognised for the highest standards of medical testing and research. SA Pathology provides a complete diagnostic and clinical service for our patients and the South Australian population - 24 hours a day, 365 days a year.

SA Pathology delivers quality pathology to medical practitioners and public and private hospitals through a linked system of laboratories across the state – from branch laboratories in rural and regional hospitals, general laboratories in metropolitan hospitals and specialist laboratories responsible for tertiary referral – and through a network of patient centres which cover all of the state’s major population centres.

SA Pathology are investing in interconnected ICT/computer systems across our laboratories and worksites for better, faster communication through use of improved technology, while ensuring developments are clinically and scientifically led in order to guarantee patient safety and maintain service excellence. It means wherever you live, you receive the highest standards of diagnostic testing and reporting to improve patient outcomes.

SA Pathology is seen as the quality benchmark for comprehensive pathology practice, based on experience of over 75 years. Their scientific achievements and ongoing support of medical research and training underpins their activity as an integral part of South Australia’s public and private health system and ensures public confidence in the organisation.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Country Health SA Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Central Adelaide Local Health Network:

CALHN is one of five Local Health Networks (LHNs) in South Australia established in July 2011. CALHN is responsible for the following health services:

- Royal Adelaide Hospital (RAH)
- The Queen Elizabeth Hospital (TQEH)
- Hampstead Rehabilitation Centre (HRC)
- St Margaret's Rehabilitation Hospital (SMRH)
- Glenside Health Service (GHS) Psychiatric Intensive Care Unit; Inpatient Rehabilitation Services and Acute beds only
- Adelaide Dental Hospital (ADH).

CALHN also has governance over numerous community mental health and primary health services including Prison Health Service, SA Dental Service and DonateLife SA. Of note also is governance of the Statewide Clinical Support Services (SCSS) including Imaging, Pathology, Pharmacy and BreastScreen SA, responsibility of which has vacillated between CALHN and DHW over the past few years.

CALHN is one of three metropolitan LHNs and its core population is approximately 390,000 people. CALHN also provides services to patients from other SA networks, rural and remote areas, the Northern Territory, NSW (Broken Hill) and western parts of Victoria. These services usually relate to complex services such as head and neck cancer, radiation therapy, cardiac surgery, spinal surgery or rehabilitation.

CALHN's purpose is to deliver quality and sustainable healthcare. While the delivery of high quality patient care is our number one priority, we face a significant challenge in achieving financial sustainability. A quality-assured financial recovery plan has been developed to meet these challenges. Through effective leadership and change management, the plan which is applicable to all Directorates and departments, will be implemented over the next three years.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Central Adelaide Local Health Network Values

Our shared values confirm our common mission by promoting an organisational climate where the patient's needs are put first and where the teamwork and professionalism of our workforce help us to attract and retain the best staff. These values guide our decisions and actions.

Patient Centred:	Our patients are the reason we are here and we will provide the best service to our patients and customers
Team Work:	We value each other and work as a team to provide the best care for our patients
Respect:	We respect each other, our patients and their families by recognising different backgrounds and choices, and acknowledging that they have the right to our services
Professionalism:	We recognise that staff come from varied professional and work backgrounds and that our desire to care for patients unites our professional approach to practice

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
